Dear Kathy:

Time has a habit of slipping away.... and I missed your birthday. Better late than never however to wish you the best for the coming year. It seems, and probably is, quite awhile since I last saw you though I do hear of you occasionally through your mother. We usually talk once a week.

From what your mother says you are back in the "nanny" world. Whatever the specifics you are a long way from home. I am sorry things didn't work out for you and Rich. It doesn't seem all that long ago since the two of you stopped over in Omaha on your way to Pullman. Was it four years ago? It is almost a year since grandma died, the 11th of next month. It hardly seems possible. A lot of water has gone under the bridge since then.

My apartment here at Bloomfield Forum is very nice. As much as I need and the atmosphere hereabouts is excellent. All residents much be 62 or older to be eligible for residency. There are 98 units in the complex and about 140/150 people. There always seem to be some leaving and some coming. A nice place to be as long as it isn't practicable for me to be at 2117 So 108th any longer. I missed it in some ways but I don't miss having to look after everything. Here I don't have to worry about snow, and all the other things that go with home ownership. It is all part of my tenancy..... thought I did get elected to the Board of Directors. Some one thought I should run and I didn't say no. Enough other people agreed with my nominator that I got elected.

Hope this finds you well and enjoying your life in the Boston area.

Love,

Father: Francis Beaudoin
